Experiencing Recovery. Discovering Purpose.

Lifeline-connect

Lifeline-connect is a Christian faith-based solution to life-controlling drug and alcohol addictions. Our mission is to help men rebuild their lives spiritually, physically, emotionally and financially. This residential learning center provides a healthy and stable environment where men are able to focus on their recovery and receive the community support they need. The curriculum is a comprehensive approach and covers the following areas:

Emotional
Financial
Physical
Social
Spiritual

...for a whole-life treatment
of substance abuse.

Applying to the Program

There is an assessment and interview process, and once completed, the program is available to men age 18 and over for an affordable tuition. Lifeline-connect clients work together daily in various work details to help pay for tuition, living expenses and the cost of materials.

If you or someone you know is in need of recovery and interested in Lifeline-connect, please contact Director, Randy Brown, at 217.369.3580 or rbrown@lifelineconnect.org

Curriculum

Our comprehensive curriculum addresses core areas of life through Bible study, relapse prevention tools, life management skills, accountability plans and personal financial responsibility education. The training includes:

The Genesis Process

An integration of Biblical principles, proven relapse prevention techniques, cognitive therapy and the latest research in neuro-chemistry. This process has proven successful in maintaining long-term recovery in clinical trials and recovery programs.

Anger Management

Recognizing the signs that lead to anger and taking action to calm down and deal with the situation in a positive way.

Financial Peace University

Financial education on living within a budget, paying off debt, investment strategies and saving.

Celebrate Recovery

Teaches residents basic life skills for learning to live and love in healthier ways.

M.A.P. [Mentoring and Accountability Plan]

A Lifeline-connect client's plan to avoid relapse and reach goals. Clients select mentors and accountability partners to help maintain their course.
